Trident Square

PARTNER DECK 2026

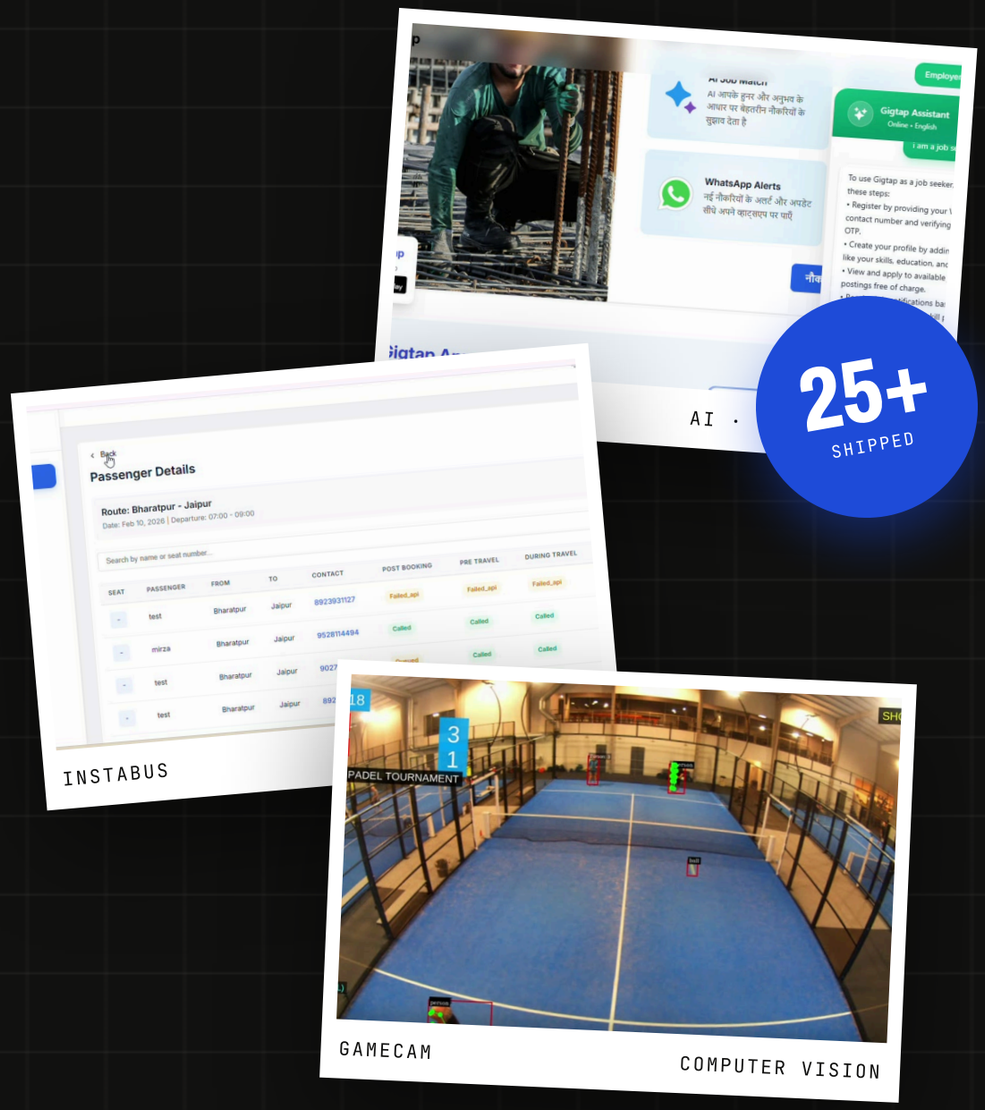

BRING THE CLIENT. WE BUILD IT.

AI agents, voice bots, automation and custom software, scoped, built and supported by our engineers. You earn on every project you bring.

BASED IN
Sector 62, Noida

PRODUCTS SHIPPED
25+

CLIENTS ACROSS
India · US · UK · Middle East

01 WHO WE ARE

ENGINEERS FIRST. NOW AN AGENCY.

We spent years as hands-on engineers shipping products for startups and businesses.

After 25+ launches, from voice agents making real calls to hiring platforms used by thousands of workers, we set up Trident Square as an agency, with a team, a process and an office in Noida, so we can take on more work without dropping quality.

25+ PRODUCTS SHIPPED	**10** SERVICES, ONE TEAM
<2S VOICE AGENT REPLY	**2** LANGUAGES · HINDI + ENGLISH

01

Engineers on calls

The person on the call writes the code.

02

Demo every Friday

A live staging link, not a status report.

03

AI where it pays

If a simple rule wins, we say so.

04

Client owns it all

Code, cloud, data and full IP.

02 WHAT YOU CAN BRING US

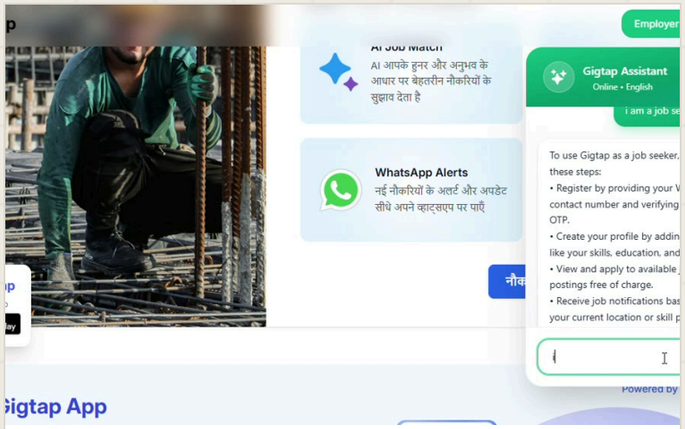

TEN SERVICES. ONE DELIVERY TEAM.

01 **AI Agents** FIRST AGENT · 3–5 WKS	02 **Voice AI Agents** LIVE PILOT · 3–4 WKS	03 **AI Chatbots** WEB + WHATSAPP · 2–4 WKS	04 **Business Process Automation** FIRST FLOWS · 2–3 WKS	05 **Custom Software & SaaS** MVP · 8–12 WKS

04 HOW IT WORKS

YOU BRING THE CLIENT.
WE DO THE REST.

01

Register the lead

Share the brief. We confirm in writing within 24 hours that the lead is yours.

02

Scope & quote

Our engineer runs the scoping call. Price, milestones and your share fixed upfront.

03

We build

Weekly demos and a staging link every Friday. You stay in the loop.

04

You get paid

Your share for each milestone, as soon as the client pays it.

PAYOUT	PAID ON	TO JOIN	LEAD PROTECTION
5 business days	Every milestone	₹0 · no targets	12 months

05 YOUR SHARE

BIGGER PROJECTS, BIGGER SHARE.

UP TO ~₹1 LAKH

10–15%

Small builds, sites, single automations

₹1 – 15 LAKH

20–25%

AI agents, chatbots, MVPs, apps

₹15 LAKH +

30–35%

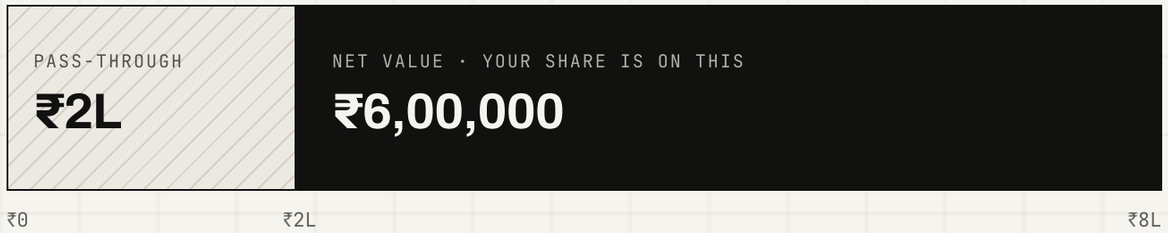

Platforms and large builds

> Your share is calculated on the **net project value**, after third-party costs nobody controls. Slabs are indicative; the exact share is agreed per project after scoping and confirmed in writing before work starts.

06 HOW THE MATHS WORKS

₹8 LAKH PROJECT. SHARE ON ₹6 LAKH.

CLIENT PAYS ₹8,00,000

Servers & hosting | KYC / verification APIs | Telephony & SMS | AI model usage | Licences & store fees

YOUR SHARE AT 20% **₹1,20,000**

Project value	₹8,00,000
– Pass-through costs	₹2,00,000
Net project value	**₹6,00,000**
Share at 20%	₹1,20,000
Share at 25%	₹1,50,000

Pass-through costs are fixed costs the project needs and nobody controls: servers, verification, telephony, third-party APIs. They are listed in the quote with actual bills, so you always see what was deducted. Illustrative figures; GST extra.

07 PROMISES & TERMS

YOUR CLIENT STAYS YOUR CLIENT.

WHAT WE PROMISE

Non-solicit	We never approach your client directly, during or after the project.
Lead protection	Registered leads stay yours for 12 months.
Confidentiality	NDA before the first brief.
Same senior team	Your clients get the engineers our direct clients get.
Full visibility	Deal status, milestones and client payments.

COMMERCIAL TERMS

Payout	Within 5 business days of each client payment clearing.
Calculated on	Net project value, excluding GST and pass-through costs.
One-time	Share applies to project milestones; no recurring commission.
Change requests	Quoted separately; your share applies to them too.
Warranty	30-day bug-fix warranty after launch.

START WITH ONE PILOT PROJECT.

Pick one client need: a chatbot, an automation or a voice agent. We scope it together, deliver it, and you judge the quality before we scale.
